Description

Integra Voyager electronic pipettors are ultra-lightweight pipettors with superb balance, intuitive touchscreen controls, and modes like aspiration, dispense, purge, and multi-step custom programs for reduced strain during prolonged use. They use proprietary snap-on tips that lock securely, ensure alignment, and minimize loading force for reliable, reproducible results.

This model features:

Max volume: 300 µl

Channel type: 6 channels, adjustable tip spacing

Comes with our 90-day warranty.
